Erofest EXPO

Erofest is all about providing a space for active exhibitor presentations, inspiration, innovation, and entertainment. And there's more! The fair is accompanied by a breathtaking programme that is shown live on a giant stage and smaller, strategically placed ones.

Lectures

We believe that education and prevention are just as important as entertainment. You'll have the chance to hear from some of the best sexologists and coaches around, or you can take part in workshops that focus on all things related to relationships, tantra, and BDSM.

B2B

This is your chance to connect with the erotic industry's top manufacturers, distributors and retailers in one place! Are you looking to distribute your products or make new contacts? We're here to help!

A woman with long dark hair is speaking into a microphone at a booth. In the background, another woman is looking at a laptop. The booth has various items on it, including a water bottle and some papers.
